

# mailing & distribution

## mailing & distribution

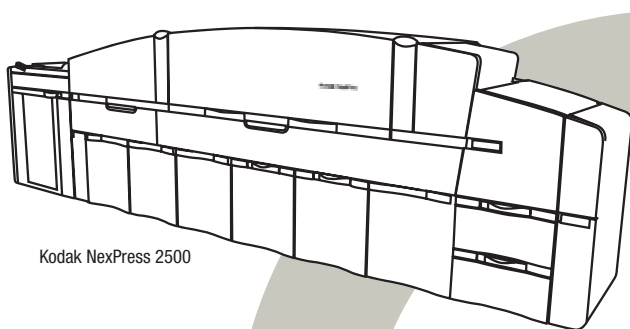

Mailing and distribution of finished marketing material or supplied material is a critical aspect of any project. Backed by more than two decades of experience, Baseline have the know-how and the volume to help you mail smarter and more cost-effectively.

Using our database solutions to improve deliverability, and our new mailing platform based on Pitney Bowes equipment, we can help you efficiently prepare your mail for delivery.

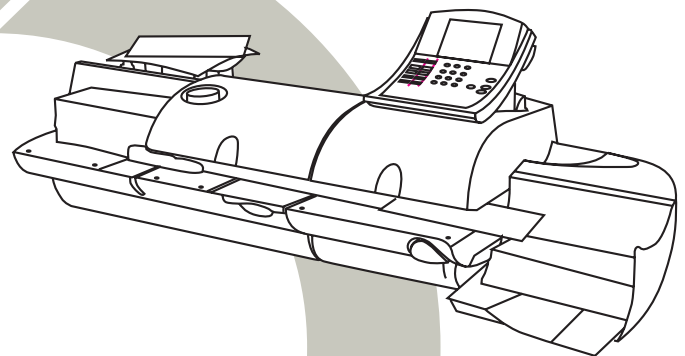

Baseline understands timely delivery is a major factor in your success and offers, mailing and distribution services with the goal of integrating final delivery into the overall production process, ultimately saving time and money.

We can work with your list or source one for you, and work to insure the best possible rates.

Whatever the need, you can count on Baseline to get your project in the right hands at the right time.
